Sub: - Clearance of long pending wait list under Rule-8 in the cadre of TTA against the candidates succeeded in TTA LICE Result announced recently

Resected Sir,

With reference to the subject cited above and letters under reference, we wish to bring your kind attention towards the chronic issue of TTAs seeking transfers for out of the circle and/or within the circle under Rule-8 of transfer policy for the request transfer, according to which, SSA office maintains a waiting list on it. Unfortunately, very small no. of TTAs have got their transfer under this waiting list due to non-availability of substitute sought by respective SSAs. To overcome this practical difficulty, it was discussed in the meeting held with your good self, it was requested that whenever a new recruitment(SRD) / LICE (PM to TTA) takes place for TTA, waiting list under Rule-8 may please be operated.

Now, as it is evident that 15 TMs have been promoted as TTA now, and as "TTA" has become circle cadre now, we would be obliged to make a suggestion that SSAs with having more no of Rule-8 cases, like Sirohi, Nagaur, Jaisalmer etc. may please be given preference in allotment of TTAs by circle officeso that maximum nos. of TTAs who have been serving BSNL with their utmost efforts, may be relived from their parent SSAs to the desired location.

By considering the above facts, we request your kindest intervention to sort out the persistent burning issue.

We assure that we will continue to give our relentless efforts in all aspects to bring the past glory of BSNL back.

Having full expectations from your kind side,

Yours sincerely,

Circle Secretary
SNATTA
